

PHD - HYDRAULIC

The safest most powerful planetary auger drive attachment range for tractors on the market today. The hydraulic ram provides maximum down pressure for the auger utilizing the full weight of the machine.

Features

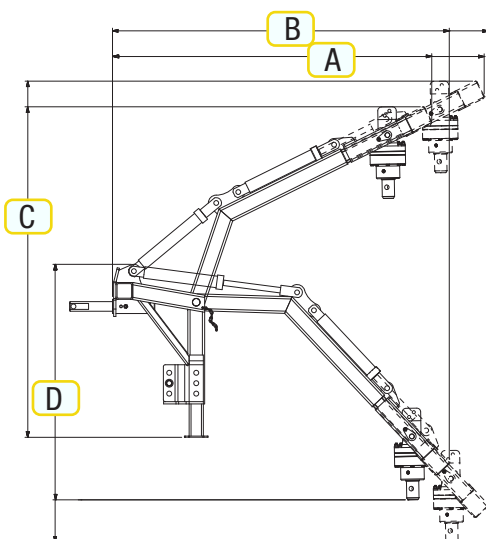

- High Quality Australian made gearbox
- Quality materials and manufacturing
- Industry leading gear box and motor warranty
- Lifetime shaft pullout warranty
- Heavy duty fully adjustable frame
- Hydraulic up and down with options to extend and retract
- Full power in both forward and reverse
- Hydraulic gearbox eliminates the need for a PTO shaft
- Adjustable in built stabilizer legs for ease of storing and fitment

Ideal Uses

Post Hole Boring, fencing and tree planting

Machine Suitability

Tractors with 3 point linkage, or 3 point linkage adapter with a minimum of 2 double acting Auxilliary ports.
